## **ANG Public Health Officers and the Basic PHO Course**

Information from the Basic PHO Course  
Supervisor, Captain Cynthia Thomas; DSN 240-  
1951; cynthia.thomas@mirage.brooks.af.mil

"Air National Guard Public Health Officers who are applying for quotas to attend the PH Officer Course or any increments of that course should ensure that their base education offices request quotas through MSgt White, Andrews AFB, DSN 278-8662. In addition, please use the following Course numbers:

### Public Health Officer Course

B3OBY43H1- 010

- Increment I (Mgt & Comm Skills)

B3OBY43H1- 011

- Increment II (Comm Dz & Epi)

B3OBY43H1- 012

- Increment III (Occ Health)

B3OBY43H1- 013

- Increment IV (Food Safety)

B3OBY43H1- 014

- Increment V (Medical Entomology &  
Readiness) B3OBY43H1- 015

Increment I must be attended first, and Increment V last; however Increments II, III, and IV may be attended in any order.

Please check the USAFSAM PH website under "Courses" for course dates/other information and contact Capt Cindy Thomas, DSN 240-1951, for further information."

## **International Conference on Emerging Infectious Diseases**

-----  
Dates: 16-19 July 2000

Location: Atlanta, Georgia, USA

Source: "Promed"

International Conference on Emerging  
Infectious Diseases

-----  
Dates: 16-19 July 2000

Location: Atlanta, Georgia, USA

The program will include plenary sessions and symposia with invited speakers, presentations on emerging infections activities, and oral and poster presentations. Major topics will include current work on surveillance, epidemiology, research, communication and training, bioterrorism, and prevention and control of emerging infectious diseases, both in the U.S. and abroad. Abstracts are invited and will be accepted beginning in September 1999.

The call for Abstracts and Preliminary Program for the Conference will be mailed in August 1999. For more information, call ICEID management at (202) 942-9248 or e-mail <meetinginfo@asmusa.org>, visit the web site <<http://www.cdc.gov/ncidod/iceid2k.htm>>, or write:
